

Update Your BlackBerry with the Latest OS Enhancements

Download these upgrades for your BlackBerry Tour 9630.

Verizon Wireless is pleased to announce new software enhancements for your BlackBerry® Tour™ 9630 smartphone. The Research In Motion® (RIM®) 4.7.1.61 update includes the latest feature improvements for your BlackBerry Tour 9630.

Capitalize on updated performance and features by downloading and installing the update today.

Enjoy enhanced performance on your BlackBerry Tour with the following improvements:

- Enhanced sound quality for voice calls on your device, wired headsets, or Bluetooth® headsets.
- Improved responsiveness while using Visual Voice Mail.
- Ability to view plain-text emails with attachments in your BlackBerry Enterprise Server with the RSA SecureID application.
- Improved MMS notification.
- BlackBerry Messenger update notification:
 - Receive a notification message when a new version of BlackBerry Messenger is available.
 - Accept or decline the installation prompt.
 - Manually check for new versions of BlackBerry Messenger.

The BlackBerry Tour update includes the following upgrades to make your life easier:

- Delete emails while composing messages, for greater efficiency.
- Save contacts with only a company name. Make and save as many changes as you need to with this enhancement.
- Add email accounts in the simplified setup wizard at a moment's notice.
- Easily geotag your photos and find a GPS connection with our BlackBerry Tour GPS upgrade.
- Get music quickly and easily with V Cast Music with Rhapsody. Now your favorite songs are just a few simple clicks away—and can be downloaded right to your BlackBerry Tour.
- Enjoy smooth playback of your music through your device.
- Enjoy crisp, vibrant video with the video player upgrade.

BlackBerry Tour 9630

- Keep your hands on the wheel and your eyes on the road with simplified headset set up and removal.
- Make calls quickly and accurately with improved dialing from the home screen.
- Keep things organized more easily with recycle bin enhancements.
- Be on time every time with the improved alarm application.
